Requesting the issue of instructions to the Govts of Dts in the matter of production of copies of certificates of fitness for the information of the Magistrates other than those in which the fitness Permits is issued

The rules on the subject are laid down in Condition 6 of the C Permits & runs as follows:-

(2) A copy of every certificate issued in the manner aforesaid shall be sent to the Govt of the Dt concerned for information

This seems to imply that if the vehicle should pass through more than two of the Govts should furnish as many copies.

Under this rule as ... modified by notn of 10 may 1932, a copies of every certificate issued has to be sent to the Dt mgte of the Dt concerned. The General Secretary,

Sir,

I am desired by the members of the Association to bring to your kind notice that the rule 6 of the G permit binds a bus owner to submit a copy of the fitness certificate to the District Magistrate, but when a bus passes through many districts of the state in whose offices the G permits are merely countersigned, there is no clear rule as to how the bus owner can submit the certificates to all the offices, as only two copies will be given to a bus owner one to be carried always in the bus and another to be given to the District Magistrate's office for reference. But the members presume the rule was framed with the idea that it would be enough if the certificate is given to the office of the original issue of the G permit who keeps the entire record of the vehicle and if necessary by the other District Magistrates they can get the information they require by correspondence to the office of the original issue of the G permit though the certificates are issued in any District by any person. But now all the district magistrates in whose jurisdiction the vehicle runs are insisting upon a copy of the certificate for their referenee and for not receiving such ones the buses have been stopped running and the G permits are suspended. Hence the members pray that orders to the District Magistrates may kindly be issued to be satisfied with the information of the number and date of the certificate furnished in time by the bus owners and in case they require any more detailed confidential information the same could be got from the original issuing office of the G
